

The OpenTravel™Alliance wishes to extend our thanks to the generous sponsorships by our **Inner Circle** sponsors. Their additional support above their annual commitments will allow the OTA to enhance the specification and increase the number of OTA products and publications that will make the global adoption and use of the OTA specifications a reality. Thank you.

The OpenTravel™Alliance also thanks our **Leadership Circle** sponsors for their generous support:

- **Hyatt Hotels and Resorts**
- **Rescon**
